Vision & Mission

GUP Magazine has seen the interest in the medium of photography explode during the last decade. It recognizes the need for interpretation of the growing amount of photography exposed to its community.

At the same time an ever growing group gains a bigger interest in photography. Therefore GUP recognizes quality, exposes developments and inspires and informs its audiences on all the above.

GUP Magazine's main goal is to inform its readers in an approachable fashion about contemporary photography. GUP is about photography and therefore images come first. Accessible articles on the subjects are straight forward, enjoyable and informative on an inspirational level.

Reach

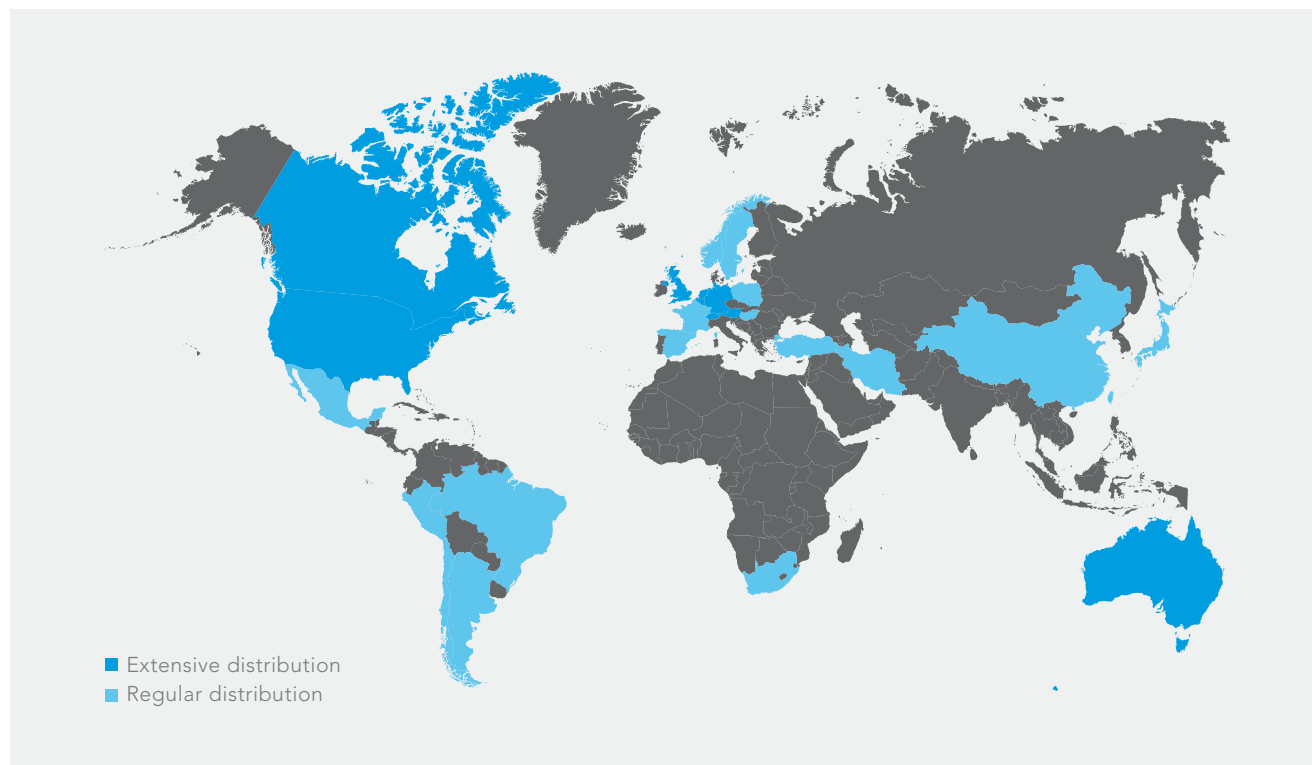

GUP is an international photography magazine distributed to over 30 countries worldwide. The geographical focus is on North West Europe, North America and Canada, and Australia. With a quarterly print run of 20.000 copies GUP Magazine's print publication reaches an approximate 50.000 readers per issue/quarter.

Besides the premium print quarterly GUP has a dominant online presence with its website visited by over 100 nationalities, and more then 25.000 unique monthly visitors. Its daily new and unique content is served to its communities by means of Facebook, Twitter and Instagram as well as the monthly newsletter.

GUP Magazine	50.000 readers

Promotional Possibilities

GUP offers flexible possibilities on advertising and partnerships. The online possibilities for product-sales and brand-activations are vast and can be seamlessly combined with print advertorial, advertisements or even editorials. Gupmagazine.com is a social and daily updated platform, which enables to precisely pinpoint campaigns around key-dates. Combining print and online advertising dramatically increases reach and enables to re-direct information on gupmagazine.com and its social media channels towards self regulated media.

GUPs loyal on- and offline communities actively share and adapt information through its popular and diverse platforms, on which promotions, product-placements, activation, call-to-actions and exhibition-announcements etc. are highly appreciated and widely shared.

Events

Besides online and print partnerships GUP also offers a wide range of live-activations in the form of product-presentations, debates and discussions, presentations, exhibition happenings, brand-activations or whatever mix suits your brand best. GUP concepts are implementable throughout the entire photographic scope, and beyond – into the field of visual culture. GUP has a highly educated and committed audience that is able to credibly inform and activate your target-audiences or readership in depth
